Answer

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI KIREN RIJIJU)

(a) & (b): Yes Madam, pilot testing including Intensive Field Testing under Crime and Criminal Tracking Networks and Systems (CCTNS) was initiated across the country in January 2012. The objectives of pilot testing were to identify bugs related to functioning of application, errors, adding or removing of mandatory fields, work flow, missing functionality, suggestion and enhancements.

(c): As an outcome of pilot testing of intensive field testing, total 2829 bugs in Core Application Software (CAS) were reported by States/UTs since January 2012. Out of these 2764 have been resolved by Software Development Agency (SDA) till date and the remaining 65 are under process by SDA/National Crime Records Bureau (NCRB).

(d): The implementation activities like Site Preparation, Commissioning of Hardware, Network Provisioning etc. is going on in full fledged manner in all the States/UTs, except Rajasthan and Bihar where presently System Integrator is not on board.

(e): The activity wise extent of achievement of the project in the country is furnished in the enclosed Annexure I.
